Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership, I hope that your action's will reflect an unbiased act on your part in adopting the Fare Share Plan. One's success in life isn't dictated by other's, but by one's own ability to make the right choice and a fare one at that.

Big business or corporation isn't unfairly being made to shoulder the cost of air-time fees, it is their greed to want to keep their cost down and increase their net income. My motto is, "you play, you pay". Big business volume speaks for itself. Please adopt the Fare Share Plan.

Thank you for your earnest consideration in the matter.

Sincerely, Fia Memea 311 E Ave. D, #2 Bismarck, ND 58501
